

CARRA Utrecht Travel Award Instructions

The purpose of this funding mechanism is to provide travel support to Early Investigators who attend the Utrecht Summer School research course, “Translational Medicine: Doing the Right Research Right”, which is traditionally offered in the Netherlands every July. CARRA’s definition of an Early Investigator is as follows: “Early Investigators include members who have completed his/her/their terminal research degree or postgraduate clinical training in the past seven years.”

Eligibility

- The project PI must be an Early Investigator who is a current CARRA member in good standing and who is up-to-date on both membership dues and membership information (location, contact information, and membership status). CARRA Board of Directors and Executive Committee members are not eligible to apply.
- Prior awardees are not eligible.
