CARRA REGISTRY

CURRENT CARRA REGISTRY – GENERAL

DISCLAIMER

“This study utilized *data and/or biospecimens* collected in the Childhood Arthritis and Rheumatology Research Alliance (CARRA) Registry. The views expressed are the authors’ and do not necessarily represent the view of CARRA”

Authors should customize the language based on whether data, biospecimens, or both are used

BYLINE REQUIREMENTS

“for the CARRA Registry investigators”

Acknowledge/include CARRA workgroups and committees as appropriate (e.g., a sub- study of sJIA patients could use “for the CARRA sJIA workgroup”)

MANUSCRIPT ACKNOWLEDGEMENTS

This work could not have been accomplished without the aid of the following organizations: The NIH’s National Institute of Arthritis and Musculoskeletal and Skin Diseases (NIAMS) & the Arthritis Foundation (AF). We would also like to thank all participants and hospital sites that recruited patients for the CARRA Registry. The authors thank the following CARRA Registry site principal investigators, sub-investigators and research coordinators: R. Aamir, A. Adams, C. Aguiar Lapsia, H. Ahmed, S. Akoghlanian, A.
